

Cancellation Policy

Wayfarer Travels — Flight Search & Travel Packages | Last updated: 1 September 2026

1. Scope

This policy explains how cancellations are handled for bookings made through the Wayfarer Travels website and chatbot, covering both flight-only bookings and travel packages (flights bundled with hotels, transfers, or activities). Cancellation terms may vary by airline, hotel, or package operator, and where a third-party supplier's policy is stricter than ours, the supplier's policy will apply.

2. Flight Booking Cancellations

Flights booked through our flight search tool can be cancelled from the "My Bookings" section or via the chatbot by providing your booking reference. Charges depend on the fare type selected at the time of booking:

Fare Type	Cancellation Window	Cancellation Fee
Refundable / Flexible	Any time before departure	Service fee only (see Section 5)
Standard / Semi-flexible	More than 72 hours before departure	Airline fee + service fee
Standard / Semi-flexible	Within 72 hours of departure	Higher airline fee + service fee
Basic / Non-refundable	Any time	Generally non-cancellable; airline credit may apply

3. Travel Package Cancellations

Because packages bundle multiple components, cancellation charges are tiered based on how close to departure the cancellation is made:

Time Before Departure	Cancellation Charge (of total package price)
30+ days	10% or the minimum service fee, whichever is higher
15 – 29 days	25%
7 – 14 days	50%
3 – 6 days	75%
48 hours or less / No-show	100% (non-refundable)

Certain package inclusions — such as visa-processing fees already submitted, non-refundable event tickets, peak-season hotel bookings, or specially negotiated group rates — may be non-refundable regardless of the timing above. These exclusions, if any, are listed on the package's booking confirmation.

4. How to Cancel

- Log in and go to "My Bookings," select the trip, and choose "Cancel Booking."
- Alternatively, ask the chatbot: "Cancel my booking [reference number]" and confirm when prompted.
- You will receive a cancellation confirmation email with the applicable charges itemized.
- Cancellations are timestamped when submitted through the platform, not when support later reviews the request.

5. Service Fees

Wayfarer Travels charges a non-refundable service fee per cancellation to cover processing costs: \$15 for flight-only bookings and \$35 for travel packages. This fee is separate from, and in addition to, any airline or supplier cancellation charges.

6. Involuntary Cancellations

If an airline or package supplier cancels a service (for example due to schedule changes, operational reasons, or force majeure events such as extreme weather, natural disasters, or government restrictions), standard cancellation fees above do not apply. In these cases, you will typically be offered a choice between rebooking on an alternative date/route or a refund in accordance with our Refund Policy.

7. Partial Cancellations

For multi-traveler bookings, individual passengers can sometimes be removed from a booking without cancelling the entire trip. Partial cancellations may cause the remaining travelers' fares to be repriced at the then-current rate for the reduced group size, which can affect the total amount refunded.

8. Non-Cancellable Bookings

- Bookings explicitly marked "Non-Refundable" or "Basic Fare" at checkout.
- Promotional or flash-sale packages marked as final sale.
- Bookings made within 24 hours of departure for same-day travel.

9. Related Policies

This Cancellation Policy works together with our Refund Policy (which explains how and when money is returned to you), our Terms & Conditions, and our Travel Insurance information page. We recommend reviewing all four documents before booking.
