Wayfarer Travels — Flight Search & Travel Packages | Last updated: 1 September 2026

1. Acceptance of Terms

By accessing the Wayfarer Travels website, mobile app, or chatbot, and by searching for flights, browsing travel packages, or completing a booking, you agree to be bound by these Terms & Conditions, along with our Cancellation Policy, Refund Policy, and any supplier-specific terms disclosed at checkout. If you do not agree, please do not use our services.

2. Who We Are

Wayfarer Travels acts as an intermediary/travel agent connecting travelers with airlines, hotels, and other travel suppliers. We are not the final service provider for flights, accommodation, or activities booked through our platform; those services are supplied and governed by the respective airline, hotel, or operator's own conditions of carriage or service.

3. Eligibility & Account Use

- You must be at least 18 years old to create an account or make a booking on your own behalf.
- Information provided during booking (names, passport details, contact information) must be accurate and match official travel documents exactly.
- You are responsible for maintaining the confidentiality of your account login credentials.
- Bookings made on behalf of other travelers require that you have authority to accept these Terms for them.

4. Flight Search & Booking

- Fares, availability, and schedules displayed during search are provided by third-party airline systems and are subject to change until a booking is confirmed and ticketed.
- A displayed price is not guaranteed until payment is completed and a confirmation/ticket number is issued.
- Baggage allowances, seat selection, and in-flight services are set by the operating airline, not by us.
- It is your responsibility to check in on time and arrive at the airport within the airline's recommended window.

5. Travel Packages

- Packages combine flights with one or more of: hotels, transfers, activities, or travel insurance, as described on the package page at the time of booking.
- Package itineraries, inclusions, and prices are accurate as of the date of booking confirmation; minor operational changes (e.g., hotel substitution of equal or higher category) may occur due to supplier availability.
- Group packages may require a minimum number of participants to run; if the minimum is not met, we will offer an alternative date, a different package, or a full refund.

- Optional add-ons (e.g., travel insurance) are not included in the base package price unless explicitly stated.

6. Pricing & Payment

All prices are displayed in the currency selected on the platform and include applicable taxes and fees unless stated otherwise. Payment is due in full at the time of booking unless a partial-payment or installment option is explicitly offered for that package. We reserve the right to correct genuine pricing errors caused by technical faults before a booking is confirmed; confirmed bookings will honor the price charged.

7. Chatbot & Automated Assistance

The Wayfarer Travels chatbot is provided to help you search flights, explore packages, and get general information about our policies. While the chatbot strives for accuracy, it may occasionally provide incomplete or outdated information. Chatbot responses do not override the specific terms, prices, or fare rules confirmed in your official booking confirmation email. For binding decisions (cancellations, refunds, disputes), the written confirmation and this Terms & Conditions document take precedence.

8. Traveler Responsibilities

- Holding a valid passport, visa, and any required travel authorization as described in our Visa Requirements guide.
- Meeting destination-specific health, customs, and entry requirements in force at the time of travel.
- Arriving at check-in and boarding points on time; missed departures due to late arrival are the traveler's responsibility.
- Behaving in accordance with airline and supplier conduct rules; suppliers may refuse service for disruptive behavior without refund.

9. Limitation of Liability

Wayfarer Travels facilitates bookings but is not liable for acts, errors, omissions, delays, cancellations, or service failures caused by airlines, hotels, or other third-party suppliers. Our liability, where it does arise from our own error, is limited to the amount of service fees paid to us for the affected booking, except where liability cannot be excluded under applicable law.

10. Force Majeure

Neither party is liable for failure to perform obligations due to events beyond reasonable control, including natural disasters, extreme weather, pandemics, war, civil unrest, government action, strikes, or airspace closures. In such cases, our Cancellation and Refund Policies' force-majeure provisions apply.

11. Intellectual Property

All content on the Wayfarer Travels platform, including text, design, logos, and the chatbot's underlying software, is owned by or licensed to us and may not be copied, reproduced, or used commercially without written permission.

12. Changes to These Terms

We may update these Terms & Conditions from time to time to reflect changes in our services, supplier requirements, or legal obligations. The version in effect at the time of your booking confirmation governs that booking. Material changes will be posted on this page with an updated "Last updated" date.

13. Governing Law & Disputes

These Terms are governed by the laws of the jurisdiction in which the platform operator is registered, without regard to conflict-of-law principles. Disputes will first be addressed through our customer support and, if unresolved, through the dispute resolution process described in your local Terms of Use addendum.
